ABOUT PROJECT

Industrious Construction Ltd. successfully transformed the Best Western Prince George into a modern, welcoming hospitality destination designed to meet the evolving expectations of today’s travelers. Tasked with enhancing a high-traffic commercial environment, our team combined quality construction, contemporary architectural improvements, and premium interior finishes to create a refined and highly functional guest experience. The scope of work included upgraded architectural elements, durable commercial-grade finishes, and thoughtfully re-engineered interior layouts designed to improve space efficiency, circulation, and long-term performance. Every area was carefully considered to balance aesthetics, functionality, and durability, resulting in a polished hospitality environment that delivers comfort, efficiency, and lasting value.

ABOUT PROJECT

Industrious Construction Ltd. successfully transformed the Coast Inn – Dawson Creek into a premier, contemporary hospitality destination. Tasked with modernizing a high-capacity commercial environment, our team combined expert structural updates with sleek interior design to elevate the guest experience from arrival to check-out. The scope of work included the implementation of upgraded contemporary architectural elements, installation of durable, high-end commercial finishes, and a complete re-engineering of interior layouts to support heavy daily foot traffic. Every zone was carefully planned to maximize space efficiency, aesthetic appeal, and long-term structural resilience. The result is a seamless blend of comfort and utility tailored specifically to the demands of today’s discerning guests and hospitality standards.
